Updated Orientation Schedule & Procedures

Classroom (On-Campus) Students – Supply Drop Off/Uniform Pick Up Overview

Out of an abundance of caution, we have decided not to host an in-person Meet and Greet Session with teachers and parents this school year. Each teacher will prepare a video for their students and their families, introducing themselves, and reviewing classroom policies. This video will be emailed to each parent before the first day of school. Our goal is to keep our families and staff safe during the school year so we have decided to only allow parents to drop off their student's school supplies and purchase uniforms, if needed, during the scheduled times below. This will allow us to limit the number of people inside the school building.

Online Learning (Distance Learning) Students - Orientation Overview

Orientation for students that will be taking their classes online will be conducted in person at the school campus. Given the complexity of the online learning platform, all students that will be participating in online learning **must attend** this in-person orientation with their parent(s). We will be practicing Social Distancing and will require Face Coverings and Temperature checks upon entry. During your student's scheduled orientation meeting listed below, parents and students will:

- Review Online Requirements and Expectations
- Receive Student's Login Information (username and password)
- Check-Out a Chromebook Device (*if needed*)
